RETIREMENT OF A LEADER

Leader choosing to retire

A Leader who chooses to retire from LLL leadership will speak with their ACL about retiring. Following that conversation, the Leader will complete the Leader Retirement form found in the Leader Department section of the LLLC website. When the Leader has completed the Leader Retirement form, LLLC will notify LLLI that the person has been retired. A person who is retired as a Leader will no longer be a member of the not-for-profit corporation, La Leche League Canada.

Leader being retired by LLLC

A Leader who fails to complete the *LLLC Annual Leader Renewal of Commitment* process during the Leader Renewal period will automatically be retired by LLLC. In this event, LLLC will mail a letter of retirement to the person at the address listed in the Register of Members of the Corporation.

If the Leader contacts LLLC within thirty (30) days following the close of the Leader Renewal period, the Leader will be permitted to complete the *LLLC Annual Leader Renewal of Commitment* providing it can be completed within five (5) business days and the Leader pays the reinstatement fee.

LLLC will notify LLLI that the Leader has been retired thirty (30) days after the close of the Leader Renewal period.

If, after this time, the Retired Leader contacts LLLC to reinstate their leadership, the Retired Leader will be connected to an ACL about the process for becoming reactivated as a Leader.
